Long Sleeved Personal Protective Equipment (PPE)

Issue Date:
04/06/18

Author:
Steve Milroy

(To be posted on HSQE Notice Boards for a Period of 1 MONTH from date of issue)

Overview

Colas Rail have decided to relax the long sleeve policy in exceptionally hot weather and this will be decided on a case by case basis by the duty manager on site.

Operatives will still be required to sign in bearing long sleeved PPE, but can change into short sleeved PPE if agreed with the duty manager

Appropriate PPE

Where a Hi-Visibility Body Warmer or Vest is to be worn then a long sleeve Orange Hi-Visibility top must be worn beneath it. Coloured Tee-Shirt's or tops cannot be worn under a Body Warmer or vest as shown in the top left image.

The photographs below show what is and what is not acceptable for orange to the sleeve:
